

# Information and consent for the patient support program for specialty drugs

Please fill out this page only if you live outside Quebec.

### **INFORMATION**

The prescription drug that is the object of your request is part of our patient support program. Designed to help you better manage your medical condition, this program provides you with many benefits such as access to professional support from a team of pharmacists. For more information, see the *Prior Authorization Drugs and the Patient Support Program* brochure, available at www.desjardinslifeinsurance.com/PAD.

If your contract includes the program, you may be required to participate.

A healthcare professional from the provider selected by Desjardins Insurance will contact you to let you know the status of your request, to explain how the program works and to direct you to a preferred pharmacy. That professional may also contact your attending physician to get any missing information. The information obtained as a result of this prior authorization request will be sent to the third party and used to process your request. This is why your signature is required.

#### **IMPORTANT**

As part of the patient support program, you will be reimbursed for your specialty drug only if you purchase it through the preferred pharmacy network.

## CONSENT TO DISCLOSE TO A THIRD PARTY

I understand that the third party may share this information with my doctors, pharmacists and other healthcare professionals as part of this program.

This consent also applies to the disclosure of personal information concerning my dependents, insofar as this request involves them.

Under its prior authorization program, Desjardins Insurance authorizes the reimbursement of certain drugs that meet criteria that are based, in particular, on clinical practice guidelines and recommendations issued by health technology assessment organizations. The drug will be eligible for reimbursement if it meets the insurer's criteria, if it's not administered in a hospital and if it's not eligible under a government program. If the information on your form is complete, your request will normally be processed within 5 business days.

When the request form is received, it will be assessed in the strictest confidence. In some situations, additional diagnostic or clinical information may be required.

If the treatment continues beyond the authorized period, you will be asked to submit a new request form and provide information that justifies the extension of treatment. If you have a payment card, your pharmacist will be advised that the authorization period is coming to an end. The insurance must be in force and the patient still covered on the date expenses are incurred. This prior authorization is subject to change if, at the time expenses are incurred, the contract has been modified.

When Desjardins Insurance declines a prior authorization request, it is because we need to uphold conditions set out in the contract. It does not mean we are questioning the physician's opinion. If you have any questions, please contact our Customer Contact Centre at the number indicated on page 1 of this form.
