## Investment Strategy

This fund, actively managed, aims to provide long-term capital appreciation by investing primarily in a diversified portfolio of common shares and other equity securities of large capitalization Canadian issuers. The fund's strategy uses a disciplined, bottom-up, fundamental approach that favours securities offering the best economic value in the market regardless of what sector the issuer operates in. The manager emphasizes identifying stocks that are undervalued in relation to the asset value or earnings power of the company.

## Notes

Underlying assets reflect the Fund manager's Series I.
