Investment Strategy

This fund, actively managed, aims to provide long-term capital appreciation by investing primarily in equity securities of companies located anywhere in the world, including emerging markets, whose products and services or conduct help to build a more sustainable world for future generations. The sub-manager applies a fundamental, growth-oriented approach by selecting corporations that are able to show strong profit growth and that face critical challenges in a wide range of fields, including social inclusion and education, resource needs and the environment, health and quality of life as well as the fight against poverty.

Notes

The underlying fund performance returns are net. These are calculated after the funds operating expenses and investment fees.
