# Fund Facts

MILLENNIA III PLAN – FIRST EDITION AND NEW ERA – SERIES 1

Financial information as of **December 31, 2021** (unless otherwise indicated)

The following pages include the description of each fund offered under the Millennia III (First Edition and New Era) contract, for contract owners who chose Series 1. The individual Fund Facts give you an idea of what each fund invests in, how it has performed and what fees or charges may apply.

We show performance data for our funds, which include tables, charts and graphs. The tables show selected key financial information about each fund and are intended to help you understand each fund's financial performance since inception.

**The individual Fund Facts are not complete without the following "What if I change my mind" and "For more information" sections below.**

## What if I change my mind?

You can change your mind and cancel any additional deposit you make under the contract within the earlier of two business days of the date you received confirmation or five business days after it is sent to you. In this case, the right to cancel only applies to the new deposit.

You have to tell your insurer in writing, by email, fax, or letter, that you want to cancel this new deposit. The amount returned will be the lesser of your deposit or its value, if it has gone down. The amount returned only applies to the specific deposit and will include a refund of any sales charges or other fees you paid.

## For more information

This summary may not contain all the information you need. Please read your Millennia III (First Edition or New Era) contract and summary information folder. You may contact us at:

### Investment Allocation as at December 31, 2021

### How has the fund performed?

This section tells you how the fund has performed for a contract Owner who chose Series 1. Returns are after the MER has been deducted.

It's important to note that this doesn't tell you how the Fund will perform in the future. Also, your actual return will depend on your personal tax situation.

#### Average return

A contract Owner who deposited \$1,000 in the fund on November 20, 1995 and chose Series 1 now has \$1,296. This works out to an average of 1.0% a year.

#### Year-by-year returns

This chart shows how the fund has performed in each of the past 10 years for a contract Owner who chose Series 1. Since 2012, the fund went up in value 1 year and down in value 9 years of the 10.

# DFS GIF – MONEY MARKET

## How risky is it?

The value of your deposit can go down.

Low	Low to moderate	Moderate	Moderate to high	High
-----	-----------------	----------	------------------	------

## Are there any guarantees?

This fund is being offered under an insurance contract. It comes with guarantees that may protect a contract Owner's deposit if markets go down. The MER includes the insurance cost for the guarantees. For details, please refer to your contract and summary information folder.

## Who is this fund for?

This fund may be right for a person seeking liquidity and security of capital.

## How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and withdraw Units of the fund.

### Sales Charges

Only the **Negotiable Fee Option** is now offered. The **Back End Load, 5 years** fee option is no longer offered except for switches of Units that were under this fee option when it ceased to be offered. For these Units, the withdrawal fees indicated below continue to apply until expiry of the withdrawal schedule from the dates of the deposits.

Fee Option	What you pay	How it works
<b>Negotiable Fee Option</b>	Up to 5% of the amount of your deposit	<ul style="list-style-type: none"><li>You and your advisor decide on the rate.</li><li>The initial sales charge is deducted from your deposit. It goes to your advisor as a gross commission.</li></ul>
<b>Back End Load, 5 years</b>	If you withdraw within: 1 year of buying 5.5% 2 years of buying 5.0% 3 years of buying 4.5% 4 years of buying 4.0% 5 years of buying 3.5% After 5 years 0.0%	<ul style="list-style-type: none"><li>When you make a deposit, Desjardins Financial Security pays a gross commission of 5.0%.</li><li>Any back end load sales charge you pay goes to Desjardins Financial Security.</li><li>The back end load sales charge is a set rate. It is deducted from the amount you withdraw.</li><li>You can withdraw up to 12% of your Units each year without paying a sales charge.</li><li>You can switch to Units of other funds under the insurance contract at any time, without paying a sales charge. The sales charge schedule will be based on the date you made your deposit.</li></ul>

### Ongoing Fund Fees

The MER includes the management fees, operating expenses and taxes of the fund as well as the insurance cost under your contract. You don't pay these expenses directly. They affect you because they reduce the return you get on your deposit. For more details about how the guarantees work, see the guarantees sections in your contract and summary information folder.

<b>MER (annual rate as a % of the fund's value)</b>
1.72%

## DFS GIF – MONEY MARKET

### Trailing Commission

Desjardins Financial Security pays your advisor a trailing commission for as long as you own Units of the fund. It is for the services and advice your advisor provides to you. The trailing commission is paid out of the management fees. Its amount depends on the fee option you choose and on the market value of your Units associated with this fee option:

- Negotiable Fee Option – 0.50% of the market value of the Units attributed to this fee option each year.
- Back End Load, 5 years – 0.20% of the market value of the Units attributed to this fee option each year.

### Other Fees

There are no other fees that apply to the Millennia III Plan.

### What if I change my mind?

You can change your mind about your deposit but you may have as little as two days to do so. Please see the [cover](#) of this document for details. This page also contains details on how to get more information. This Fund Facts is not complete without that page.

### Ongoing Fund Fees

The MER includes the management fees, operating expenses and taxes of the fund as well as the insurance cost under your contract. You don't pay these expenses directly. They affect you because they reduce the return you get on your deposit. For more details about how the guarantees work, see the guarantees sections in your contract and summary information folder.

## Trailing Commission

Desjardins Financial Security pays your advisor a trailing commission for as long as you own Units of the fund. It is for the services and advice your advisor provides to you. The trailing commission is paid out of the management fees. Its amount depends on the fee option you choose and on the market value of your Units associated with this fee option:

- Negotiable Fee Option – 1.25% of the market value of the Units attributed to this fee option each year.
- Back End Load, 5 years – 0.50% of the market value of the Units attributed to this fee option each year.

## Other Fees

There are no other fees that apply to the Millennia III Plan.

## What if I change my mind?

You can change your mind about your deposit but you may have as little as two days to do so. Please see the [cover](#) of this document for details. This page also contains details on how to get more information. This Fund Facts is not complete without that page.

## How risky is it?

The value of your deposit can go down.

Low	Low to moderate	<b>Moderate</b>	Moderate to high	High
-----	-----------------	-----------------	------------------	------

## Are there any guarantees?

This fund is being offered under an insurance contract. It comes with guarantees that may protect a contract Owner's deposit if markets go down. The MER includes the insurance cost for the guarantees. For details, please refer to your contract and summary information folder.

## Who is this fund for?

This fund may be right for a person seeking long-term capital growth. Since the fund invests in equities, changes in market conditions can cause its market value to increase or decrease in a short period of time.

## How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and withdraw Units of the fund.

### Sales Charges

Only the **Negotiable Fee Option** is now offered. The **Back End Load, 5 years** fee option is no longer offered except for switches of Units that were under this fee option when it ceased to be offered. For these Units, the withdrawal fees indicated below continue to apply until expiry of the withdrawal schedule from the dates of the deposits.

### Investment Allocation as at December 31, 2021

### How has the fund performed?

This section tells you how the fund has performed for a contract Owner who chose Series 1. Returns are after the MER has been deducted.

It's important to note that this doesn't tell you how the fund will perform in the future. Also, your actual return will depend on your personal tax situation.

#### Average return

A contract Owner who deposited \$1,000 in the fund on November 20, 1995 and chose Series 1 now has \$1,834. This works out to an average of 2.3% a year.

#### Year-by-year returns

This chart shows how the fund has performed in each of the past 10 years for a contract Owner who chose Series 1. Since 2012, the fund went up in value 7 years and down in value 3 years of the 10.
